

1.0 Requirements

- 1.1 Per customer requirement, the CARC process applied to this item requires certification to demonstrate compliance. Compliance to be demonstrated by the following:
 - 1.1.1 Supplier Certification with batch number information traceable to an Army Research Laboratory (ARL) letter/report and,
 - 1.1.2 An ARL approval letter showing the same batch information shown on the Supplier Certification and,
 - 1.3.1.1 NOTE: In some circumstances, the customer may require a copy of the ARL report instead of the letter.
 - 1.1.3 A report containing the same batch information as well as detailing process variables that are in compliance with requirements.

DOCUMENT IS UNCONTROLLED WHEN PRINTED
